Q2: Create a sentence using the word "unctuous"

Brandishing his manliness, Kodaka towered above Rika and inserted himself deep into Rika's insides

.....HM?

WOW-

IS THIS AN AMAZON REVIEW!?

THE FOLLOWING DAY, KOBATO WAS FORCED TO WRITE THE BOOK REPORT ON HER OWN.

This summer I read "The Voice from Heaven." It was recommended at a certain bookstore, so I tried reading it, but it was an unbelievably MEDIOCRE piece of work. The characters are all just models of characters we've all seen before, the world the author sets the story in has no originality whatsoever, and I couldn't feel anything new about the book at all.

I can't even bring myself to flatter the author by saying that the writing style was any good. I couldn't imagine any of the scenes in my head, which made the book even harder to read. The cover art is also kinda meh, so maybe if you find it for like a dollar you should try and read it.

OVERALL RATING: 2 stars
